## PRONTAFETTA D.O.P SAN DANIELE HAM 36 MONTHS

We have always selected the pork legs directly in the butcher and then we salted and aged them. These pork legs come from heavy Italian porks breed and they are raised in Pianura Padana. This place gives them a delicate notes which do the difference. The pork legs are salted when are freshes with marine salt of Margherita by Savoia. Then these porks are subjected a slow aging period. This process allow at our hams to grow in harmony and getting better over time in the aromas, flavors and smoothness. These elements distinguish us from the majority of other ham factories.
